Co-Brand With Ecospecifier Global In Social Media

Ecospecifier is offering 10 inspiring and educational generic posters to share on your social media pages, featuring YOUR LOGO + OUR LOGO and showcasing benefits of your eco-responsible product category, helping to enhance your brand online and to attract potential new customers.

Immediate Benefits

1. **QUALITY, SOCIAL MEDIA CONTENT** that is produced by our global and highly respected green products knowledge source, which will **ADD TO YOUR INDUSTRY CREDIBILITY**.
2. **READY-TO-GO** content that can be published over 10 weeks but also **TIMELESS CONTENT**, which can be used multiple times to complement sales and marketing campaigns.
3. **VALUE-ADD** materials that are visual and educative, and more likely to be shared by social media users into new networks, helping you build relationships with both existing and prospective new clients.
4. **DESIGN QUALITY POSTERS**, which can also be used as 'PROMOTIONAL GIFTS' emailed or printed, as you please.
