Ten Educational Posters Tailored To Your Brand

Ecospecifier is offering to design for you 10 quality, educational posters as fresh new materials to distribute through your SOCIAL MEDIA BUSINESS PAGES ... Ten visually and technically informative posters that showcase benefits of YOUR ECO-RESPONSIBLE PRODUCTS & CATEGORY, that feature YOUR LOGO + OUR LOGO and which help you drive more traffic to your websites, attract potential new customers and grow YOUR BRAND & INDUSTRY CREDIBILITY as a GREEN MANUFACTURER.

Immediate Benefits

1. READY-TO-GO content that can be published over 10 weeks but also TIMELESS CONTENT, which can be used multiple times to complement your sales and marketing campaigns.
2. QUALITY & INFORMED SOCIAL MEDIA CONTENT that is produced and endorsed by our research body, a respected global green product knowledge source that will add to your INDUSTRY CREDIBILITY.
3. VALUE-ADD materials that are visual and educative, and more likely to be shared by social media users into new networks, helping you educate new markets to the VALUE OF YOUR GREEN PRODUCTS, build relationships with both existing and prospective new clients.
4. DESIGN QUALITY POSTERS, which can also be used as 'promotional gifts' emailed or printed up.
5. DISTRIBUTION SUPPORT via Ecospecifier Global's Social Media Pages
